

I Am Complete

Welcome

What was one part of the sermon this past weekend that really hit home for you?

Worship

Please read Matthew 11:28-30. It is amazing that God is our refuge and “replenisher” when we are weary and burdened. Take this time, either as a group together or individually, to thank God for who He is and for what He’s done in your life.

Word

John 4:1-26

1. *Jesus took physical things and turned them into spiritual lessons.* How did he do that with our physical “thirst” for water?
2. According to this story, how would you say this woman tried to find fulfillment?
3. Whether married or single, what are ways we look to find fulfillment and completion in the world?
4. Jesus is our fulfillment. Look up these verses below and discuss how each one shows His fulfillment in your life:

John 6:35 –	John 10:7-9 –
John 8:12 –	John 10:14 –
John 8:28 –	John 11:25 –
John 8:58 –	John 14:6 –
5. How will you show the world that you are complete because of Jesus?

Witness

Read John 9:5. Share the name of someone that you can be a “light” to this week. Go around and pray for them and that opportunity.
